To Whom It May Concern,

I am writing to express our enthusiastic support and commitment to the proposed Piedmont Agricultural Exchange initiative through Gerard's Green Garden. As a collaborative partner of Second Harvest Food Bank of Northwest North Carolina, Gerard's Green Garden has made a great deal of progress working toward a more food secure East Greensboro, and we look forward to working alongside him and area residents in planning and executing food security work that matches neighbor-identified priorities.

Second Harvest Food Bank believes that the proposed initiative will increase local food access for people facing hunger and nutrition insecurity while fostering transformational growth in our local agricultural industry.

Thank you very much for your thoughtful consideration of Gerard's Green Garden's grant proposal. Please contact me at (336) 784-5770 ext. 161 or rwisley@secondharvestnwnnc.org if I can be of further assistance or answer any questions.

Sincerely,

A handwritten signature in blue ink that reads "Renai".
